

MESSAGE FROM THE BOARD CHAIR

Greetings!

Welcome back to Club Pelican Bay! It's hard to believe that the new season is upon us. And how lucky are we that recent storms did not delay our return. We are equally lucky that Ryan Shaw and the entire Team have prepared our beautiful facilities for us to enjoy, despite the challenges Mother Nature posed. We are indeed fortunate, on so many levels.

Founders Scholarship Fund is busy at work. Thanks to your generosity we have awarded 100 students their scholarship check for the Fall Semester. As a reminder, each student is supported with \$6,000 per year, a total of \$24,000 over four years. This amount covers 25% of the cost to attend a Florida state university. Since most of our Scholars attend schools within the state, we are recognized as one of the most significant scholarship opportunities. Founders Scholarship Fund is beloved by the Collier County educators and students alike!

2024 Scholarship Awardees also included five Club Pelican Bay employees or their dependents. This is the highest number of Founder Fund scholars we have ever supported within our Club. I am proud of this accomplishment and hope you are as well.

In April, the Ed Brennan Memorial Banquet and Golf Tournament was a huge success, as we raised 1.2 million dollars! Your kindness and generosity enable us to continue our good work and serve the youth of Collier County as they pursue their dreams to build a better life.

Please accept our heartfelt gratitude for all that you do. Thanks to you, Club Pelican Bay members, we can proudly say, "We are making a difference!"

THANK YOU!

Pat Chadwick
Board Chair
